## Drinks

[ladolcevita.com.au](http://ladolcevita.com.au)

*An Elegant Metodo  
Classico Sparkler from  
Northern Italy*

*For drinking throughout the meal, a great all-rounder. Versatile in its ability to match with food, to whose flavours it adds a gentle caress.*

**Colour and perlage:**

*A brilliant straw yellow, with remarkably persistent perlage.*

**Nose:**

*Sensations of apple, underpinned by tones of biscuit and citron. Amidst the notes of ripe fruit one finds pleasant hints of crusty bread, deriving from its more than three years' ageing on the yeasts.*

**Taste:**

*A fresh and lively flavour, enhanced by the velvety softness of the bubbles. The typical fruity notes of Chardonnay combine with fragrances of yeast.*

## *The Quintessential Aperitif*

*The orange is unmistakable, a vibrant colour which lights up your toasts and adds joy to the moment. Everything else is brought to the table by the inner lighthearted spirit of the Aperol Spritz: the spirit that makes people spontaneously come together and enjoy each others company.*

*Aperol Spritz is the perfect pair for your aperitivo moment of delicious snacks and appetisers. The aperitif ritual born in Veneto sees the Aperol Spritz served with some traditional snacks called "cicchetti", small dishes that usually include tiny sandwiches, plates of olives and tiny portions of local dishes. Although, throughout the years, Aperol Spritz has become a versatile drink suitable for different types of food and moments, from a quick toast after a long day to relaxed brunches on a Sunday morning.*
